ES Biography:	I qualified from the University of Manchester in 2006 and worked as an associate for over 10 years before taking over The Dental Practice. My roles have involved working in the NHS, privately, as a locum, running emergency clinics and as a peripatetic implant placing dentist. I have amassed a vast amount of experience over the years and provide all aspects of general dentistry, cosmetic dentistry, dental implants, bone grafting procedures and clear aligner
