ES Biography:	Haider qualified from the University of Liverpool in 2015 with Bachelor of Dental Surgery (BDS) and was awarded a Distinction
----------------------	---

in Restorative Dentistry. Haider also won the prestigious Frank Lawton Medal (Excellent in operative dental surgery) and Tom Pitt-Ford Prize (Endodontics), he then went on to win the Foundation Dentist Prize in Endodontics by the British Endodontic Society in 2016.

Since qualification Haider decided to take his qualifications further and gained Membership of the Joint Dental Faculty at the Royal College of Surgeons of England (MJDF RCS(Eng)) in 2017. Now, a member of the College of General Dentistry.

He also undertook further postgraduate training across many dental disciplines. Haider's main interest is in restorative and cosmetic dentistry. As well as this, he has developed a keen interest in Endodontics, and currently undergoing Masters in Endodontics.

Haider has been a Honorary Clinical Tutor at the Liverpool University Dental Hospital and has completed a Postgraduate Certificate in Teaching and Learning in Clinical Practice (PGCertTLCP) at Edgehill University 2018, and further on went to become a member of fHEA.

Haider received a Masters of Pharmacy from the University of Bradford (MPharm) in 2010 with Distinction in his Masters dissertation, and is a Member of the Royal Pharmaceutical Society (MRPharmS). Winning awards along the way, C+D Runner up Pre-Reg Graduate Pharmacist of the Year and Numark Pre-Reg Student Pharmacist of the Year in 2011.
