<b>ES Biography:</b>	I qualified from Leeds University in 2010 and moved back to the Wirral for my FD year, followed by a DF2 year with the Maxillofacial team at Aintree and Alder Hey Hospitals where I gained invaluable surgical and paediatric experience. Following this I came back to our family-owned practice in Eastham before moving to Australia where I worked in private practice for almost 7 years. Working with dentists and specialists from around the world gave me an opportunity to expand my knowledge and

experience. I moved back to the UK in 2019 to rejoin our family practice. I love general dentistry and the variety it brings. Outside of work I love to travel, hike and spend time with friends, but also enjoy being at home with my family (I have 2 young children), our dog, chickens plus a couple of beehives.
