| <b>Practice Profile:</b><br>(e.g. how many surgeries, equipment, location/area, staff members, dentists with special interests, etc) | Gatley Park Dental Practice was set up in 1948 and was taken over by Dr Bikram Grewal in 2013. The practice is in South Manchester. The practice has a large team with five surgeries with a team comprising of five dentists, two hygienists and seven dental nurses working varying days within the practice. The practice was fully renovated in 2020 and the foundation dentist will have access to a computerised system, digital radiographs, digital photography, and iTero scanner. Within the practice we also have a microscope used for RCT. The practice offers a range of treatments from everyday NHS dentistry, cosmetic dentistry, Invisalign and Implants. |

| <b>ES Biography:</b> | Graduating from the University of Liverpool in 2018. I then began my foundation training at Gatley Park Dental Practice with Bikram as my ES. Since then, I have worked between other practices and GPDP, currently I am working full time at GPDP. I have undertaken a range of clinical courses ranging from composite to Invisalign and take a keen interest in biomimetic dentistry. I am currently undertaking a postgraduate diploma in teaching and learning in a clinical context to aid with my ES training. |
