Aintree University Hospital 12-month OMFS post

Aintree University Hospital, Liverpool, OMFS

The Regional Maxillofacial Unit provides a comprehensive service in Oral and Maxillofacial Surgery to Cheshire and Merseyside. It acts as the hub unit for all the OMFS activity in the region. There are 16 consultants, 8 Specialty Trainee and 9 DCTs. It is the biggest OMFS unit in the UK with a national and internationally leading Head and Neck Cancer service, one of the busiest trauma services and delivers all other aspects of oral and maxillofacial surgery including dentoalveolar surgery, facial skin surgery, orthognathic surgery and TMJ surgery. On-Call/Out of hours coverage is provided by a “full shift” pattern of work involving 9 DCTs. These duties include night cover, ward duty, trauma cover (including a trauma clinic and theatre), consultant clinics, MOS sessions, day surgery and in patient operating lists.

Alder Hey Childrens' Hospital Paeds and OMFS/ Aintree University Hospital OMFS

First Rotation - Alder Hey Childrens' Hospital OMFS

There are 3 DCT2s based at Alder Hey Hospital who work across paediatric OMFS and Paediatric Dentistry and (including cleft lip and palate surgery). It is the largest childrens' hospital in Europe and is a regional provider of cleft surgery (primary and secondary), one of the four supra-regional providers of craniofacial surgery, and provides exposure to paediatric general OMFS, orthodontics as well as paediatric dentistry. On-Call/Our of Hours coverage is "on-call" from home including overnight 1 in 6 (linking with 3 DCT2s based at Liverpool Dental Hospital) with second tier and links to the regional maxillofacial unit at Aintree.

Second rotation - Aintree University Hospital, Liverpool, OMFS

The Regional Maxillofacial Unit provides a comprehensive service in Oral and Maxillofacial Surgery to Cheshire and Merseyside. It acts as the hub unit for all the OMFS activity in the region. There are 16 consultants, 8 Specialty Trainee and 9 DCTs. It is the biggest OMFS unit in the UK with a national and internationally leading Head and Neck Cancer service, one of the busiest trauma services and delivers all other aspects of oral and maxillofacial surgery including dentoalveolar surgery, facial skin surgery, orthognathic surgery and TMJ surgery. These duties include night cover, ward duty, trauma cover (including a trauma clinic and theatre), consultant clinics, MOS sessions, day surgery and in patient operating lists.

Countess of Chester Hospital OMFS /Liverpool University Dental Hospital Multi-Specialty

First Rotation 6 months Countess of Chester Hospital, OMFS

The OMFS unit at Chester acts as a spoke unit for the Regional Unit at Aintree. In addition to oral and maxillofacial duties, the DCT may also attend consultant clinics in orthodontics. There are joint multi-disciplinary clinics for dentofacial deformity, oral medicine and dermatology, chronic facial pain. On-Call/Out of Hours is 1 in 5 rota covering A&E and the ward is from 8am until 10pm. Outside these hours the “Hospital At Night” team and the Regional Maxillofacial Unit on-call team provide care.

Second Rotation - Liverpool University Dental Hospital (LUDH)

The post involves a range of dental specialties, including oral surgery, oral medicine, paediatric, restorative, also involving the oral diagnosis department which accepts limited numbers of walk-in patients for teaching purposes.

There are 3 DCT2 posts with links to Alder Hey Children Hospital and the Regional Maxillofacial Unit (MFU). On-Call/Our of Hours coverage is "on-call" from home for Alder Hey including overnight 1 in 6 (linking with 3 DCT2s based at Alder Hey) with second and third tier cover from Aintree.

Arrowe Park Hospital OMFS /Liverpool University Dental Hospital Multi-Specialty

First 6-month rotation - Arrowe Park Hospital, Wirral, OMFS

This unit acts as a spoke to the Regional Maxillofacial Unit based at Aintree. The post combines duties in OMFS with orthodontics. In theatre DCTs may assist consultants with more major cases and operate under supervision on other cases. There are also MOS sessions - routine oral surgical procedures under local anaesthetic and outpatient clinics. On-Call/Out of Hours - A five-person rota is based at APH which provides emergency cover until 10pm after which the 'Hospital at Night' team and A&E manage emergencies supported by the OMFS team at the Regional Unit at Aintree.
