Manchester Dental Hospital 12 months Oral Medicine/Oral Surgery

University Manchester Dental Hospital

12-month post, in Oral Medicine /Oral Surgery in Manchester Dental Hospital
No on-call commitments.

Aintree University Hospital / Arrowe Park Hospital, Wirral - OMFS

First 6-month rotation - Aintree University Hospital, Liverpool, OMFS

The Regional Maxillofacial Unit provides a comprehensive service in Oral and Maxillofacial Surgery to Cheshire and Merseyside. It acts as the hub unit for all the OMFS activity in the region. There are 16 consultants, 8 Specialty Trainee and 9 DCTs. It is the biggest OMFS unit in the UK with a national and internationally leading Head and Neck Cancer service, one of the busiest trauma services and delivers all other aspects of oral and maxillofacial surgery including dentoalveolar surgery, facial skin surgery, orthognathic surgery and TMJ surgery. On-Call/Out of hours coverage is provided by a "full shift" pattern of work involving 9 DCTs. These duties include night cover, ward duty, trauma cover (including a trauma clinic and theatre), consultant clinics, MOS sessions, day surgery and in patient operating lists.

Second rotation - Arrowe Park Hospital, Wirral, OMFS

This unit acts as a spoke to the Regional Maxillofacial Unit based at Aintree. The post combines duties in OMFS with orthodontics. In theatre DCTs may assist consultants with more major cases and operate under supervision on other cases. There are also MOS sessions - routine oral surgical procedures under local anaesthetic and outpatient clinics. On-Call/Out of Hours - A five-person rota is based at APH which provides emergency cover until 10pm after which the 'Hospital at Night' team and A&E manage emergencies supported by the OMFS team at the Regional Unit at Aintree.
