<b>Practice Profile:</b> (e.g. how many surgeries, equipment, location/area, staff members, etc)	<p>Disley Dental Centre is a modern, friendly, family orientated, forward thinking learning practice. It caters for all age groups with the focus very much on prevention. All types of NHS treatment are offered to our patients.</p> <p>There are 3 modern air conditioned surgeries which are light and airy, each with their own x-ray machine. We operate a stringent cross infection control policy. We get many positive comments from our patients about all aspects of the practice when collecting feedback.</p> <p>There are a number of high quality hospitals within a short distance of the practice which accept referrals.</p> <p>The practice has a central village location, close to local amenities and with excellent public transport links. Central Manchester is a half hour train journey away. There is also plentiful car parking.</p> <p>There is an experienced, sympathetic and loyal team at the practice, who will make the FD feel very welcome, and provide all the backup and support they will need.</p> <p>We have invested heavily in the practice. It is fully computerised, with digital radiographs. A rotary endodontic system is available as well as</p>
