

Dental Foundation Training NHS England NW

Educational Supervisor – Practice Profile

Name of Educational Supervisor	David Hanna
---------------------------------------	-------------

Practice Name Practice Address	Westbourne Dental Practice	
	118 Storeton Road Prenton Wirral	
	Postcode	CH42 8NA

Practice Profile: (e.g. how many surgeries, equipment, location/area, staff members, dentists with special interests, etc)	<p>We are an established 7 surgery mixed practice located in Prenton with a friendly team. We have 6 dentists and 2 hygienists, who are supported by our excellent nursing and reception team. We offer a range of NHS and private treatments including implants, and with a broad patient base this gives opportunity for a good grounding in all aspects of dentistry. We have been fortunate to support a number of new graduates having been allocated a foundation dentist every year for over a decade, and we are passionate about giving them the best start in their careers.</p>
--------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Surgery opening hours: Mon-Thurs 8am-6pm Fri 9am-5pm

FD Hours: Mon-Fri 9am-5pm

ES Biography:	<p>I graduated from the University of Liverpool in 2008, I have since spent 16 years working in general practice, joining Westbourne in 2016. In January 2023 I started a post at the University of Liverpool as clinical lecturer in restorative dentistry and have thoroughly enjoyed offering guidance and support to undergraduate dental students.</p> <p>I have also recently completed a PG Cert in Teaching and Learning in Clinical Practice which has helped further inform my ideas around teaching.</p>
