

Dental Foundation Training NHS England NW

Educational Supervisor – Practice Profile

Name of Educational Supervisor	Kate Hendrick
---------------------------------------	---------------

Practice Name Practice Address	Sandon Dental Practice	
	34 Hoole Road, Chester	
	Postcode	CH2 3NJ

Practice Profile: (e.g. how many surgeries, equipment, location/area, staff members, etc)	<p>Sandon Dental Practice is based in the leafy suburbs of Chester with less than a 10 minute walk to Chester train station. There are 7 dental surgeries housing 7 dentists, 2 therapists and 3 hygienists, a full time Treatment Coordinator with a long established team. The practice is computerised with Carestream R4, has digital radiography, (intra orals and OPG, CBCT) and an Itero scanner. The practice uses rotary endodontics, RACE and Wave one.</p> <p>The practice is mixed NHS, Denplan and Private with a large patient base. We are fortunate to have visiting clinicians with special interests in facial aesthetics, endodontics, oral surgery and implants.</p>
---	--

ES Biography:	I qualified in 2005 and completed my VT/FD training at Sandon. I remained at the practice as an Associate and became a joint
----------------------	--

	<p>Practice Partner with the previous Principal Dr Simon Batey in 2011 and subsequently took over the practice as sole principle in 2020. I keep myself updated with modern techniques and have undertaken further training in restorative dentistry, dental implants, Invisalign and facial aesthetics. I have successfully completed MJDF RCS (UK) and a PGCert Clinical Education. I have been an Educational Supervisor for 6 years and enjoy offering a transition to dental practice for newly qualified dentists. I offer an open door policy and am always available for advice and support.</p>
