Practice Profile: (e.g. how many surgeries, equipment, location/area, staff members, etc)	<p>Our dental practice lies in the lovely leafy suburb of Hartford, Northwich, in the heart of Cheshire. The attractive building is close to both Greenbank & Hartford train stations as well as being commutable from Liverpool and Manchester by car. The practice has been established for more than 60 years. As a thriving, modern, family dental practice we are currently undergoing a major refurbishment to help provide our patients with the best possible dental experience. We are part of the A&U group which consists of 7 practices and has a supportive management leadership team.</p> <p>The practice consists of 6 surgeries with a team of 8 dentists, a full-time dental therapist, fully qualified dental nurses and reception staff. Our practice manager has worked here for nearly 20 years. The practice is well equipped with materials, rotary endo, clinical camera, I-Tero scanner on request, Dentally computer software system, Hall crowns and more.</p> <p>We offer a extensive range of treatments from general dentistry to cosmetic dentistry, and are lucky to offer specialist treatments in orthodontics, implantology, oral surgery and root canal treatments. Our NHS patient lists are well maintained and offer services to a wide spectrum of patients from 0-100 years old!</p>
