

ST4 Psychiatry

LETB/Deanery: Health Education South West - Severn	
Programme Details	<p>Psychiatry Training at Severn Postgraduate Medical Education is renowned for being trainee-centred, trainee led, innovative and extremely supportive. The programme of training is provided within one of the popular areas of the UK to live. The Severn School of Psychiatry's aim is to provide excellent broad clinical training underpinned with a robust training programme. The Severn School of Psychiatry offers the six major sub-specialty Advanced Training programmes and three further general adult 'endorsements' are available in Rehabilitation, Addictions and Liaison Psychiatry.</p> <p>The School also supports dual training in certain circumstances.</p> <p>http://www.psychiatry.severndeanery.nhs.uk/about-us/advanced-specialist-training/dual-training-in-psychiatry/</p> <p>Further information is available on the School website and the 'Guide to Advanced Training in Psychiatry':</p> <p>http://www.psychiatry.severndeanery.nhs.uk/ http://www.psychiatry.severndeanery.nhs.uk/assets/Psych/Core-Specialist-Training/A-Guide-to-Advanced-Training-in-Psychiatry-at-Severn-PGME.pdf</p> <p><i>Link to further information, if available:</i></p> <p>http://www.psychiatry.severndeanery.nhs.uk/</p>
