	Postcode RR9 7XH

Practice Profile:	Dentistry for All is a busy mainly NHS practice in Nelson,
(e.g. how many surgeries,	Lancashire. We have nine surgeries, with a skill mix of dental
equipment, location/area, staff members, dentists with	hygienists, therapists and nurses with extended duties. We are
special interests, etc)	easy to find, just off the M65 motorway junction and have staff
	members who commute from Manchester as well as locally. We
	provide a broad range of treatments and pride ourselves on proving excellent dentistry on the NHS. We have a long history of
	being a DFT practice and also have dental therapists on
	placement within the practice. We have dentists with extra
	experience in endodontics, paediatrics and oral surgery.
ES Biography:	I qualified from Liverpool in 2013 and completed my foundation
	year at Dentistry for All. I then worked in Burnley for number of
	years before re-joining the team in 2019. I became a partner
	within the practice in March 2022. I have been involved with the
	training of undergraduate dental students and dental therapy
	students for three years before becoming an educational
	supervisor in 2020. I find being a mentor really rewarding and
	love to see new clinicians grow in skill and confidence. I enjoy
	the challenges of dentistry and take pride in looking after patients. Outside of work I enjoy spending time with my family,
	my one-year-old daughter and walking the collie.
	iny one year old dadgriter and walking the colle.
