| <b>Practice Profile:</b><br>(e.g. how many surgeries, equipment, location/area, staff members, etc) | <p>The practice is located in a high needs area, therefore plenty of experience will be offered in restorative/endodontics, periodontics and oral surgery.</p> <p>We are a well-equipped practice consisting of 5 surgeries, three of which can be used for a left handed dentists and we also have a central sterilisation room. We are fully computerised using the latest SOE programme, we also use digital X-rays and have an inhouse OPG machine and we have well trained and experienced nurses.</p> <p>Free street parking available with takeaways, cafes and shops within walking distance. Easy access to M65 for those commuting.</p> <p>To recognise our commitment to quality and high standards we have been awarded the BDA Good Practice Award for the last 14 years and have also been a training practice since 2006 for newly qualified dentists (FD1 training) as well as having been a training practice for dental therapists in the past from the University of Liverpool.</p> |

|                      |   |
|----------------------|---|
| <b>ES Biography:</b> | Qualified in 1993 and my personal interests are playing a local league football team and keeping fit by going to the gym and walking. |
|----------------------|---|

The practice was originally established circa 1985 and has been a well-established NHS practice since then. I acquired the practice in 2005 and along with my team we are committed to the provision of high quality NHS dentistry in a friendly, relaxing environment.
