<b>ES Biography:</b>	<p>I qualified from Manchester University BDS in 2018. I am currently studying for a diploma in Restorative Dentistry from the Royal College of Surgeons which I will complete this year.</p> <p>I have worked in general practice since qualifying and balance my time between treating both private and NHS patients. I take referrals for more complicated restorative treatments as well as cosmetic and aesthetic cases. I am trained in clear correct and Invisalign clear aligners and have a particular passion for adhesive dentistry and digital workflow. I have been trained by some of the most well-respected aesthetic dentists across Europe. This has allowed me to provide highly aesthetic treatments such as composite veneers.</p> <p>Outside of work I love to travel and regularly play netball, go to the gym or head out running.</p>
