Practice Profile: (e.g. how many surgeries, equipment, location/area, staff members, etc)	<p>We are a lovely mixed practice located in Handforth, Cheshire (near Wilmslow) with a wide range of patients from various backgrounds. We have three large surgeries, a decon room, a staff room, an office and a kitchen providing a really comfortable place to work. We have a friendly team of thirteen in total- Emma the principal dentist, Lorraine the practice manager, two friendly and helpful associates -one who has a special interest in oral surgery, a current FD, two hygienists, four dental nurses and two receptionists. We have been an FD practice since 2015. We provide all types of NHS dentistry and there is plenty of scope to develop private skills here too. We have everything you will need in your foundation year including digital X Rays, R4 computer system and rotary endo system. We have a staff car park and are a short walk from Handforth train station and bus stops for public transport. We are also located near a small shopping precinct which is handy for lunch!</p>

ES Biography:	<p>I qualified from Manchester in 2005 and did my FD year in Macclesfield before going back to the dental hospital in Manchester to do a split post there with the community dental service in Salford. After a break for travelling, I worked in practice and the CDS for a few years in London where I was an ES for 12 months, then back to Manchester before settling at the Willows in 2011. I became the practice owner in 2016 and this will be the</p>
