

Dental Foundation Training NHS England NW

Educational Supervisor – Practice Profile

Name of Educational Supervisor	Peter McDonald
---------------------------------------	----------------

Practice Name Practice Address	DCO Dental	
	53c Mainwood Road, Timperley	
	Postcode	WA15 7JW

Practice Profile: (e.g. how many surgeries, equipment, location/area, staff members, dentists with special interests, etc)	<p>The surgery is located within walking distance of the suburban village of Timperley, with links to Manchester and surrounding towns via the Metrolink. There are 4 dental surgeries at DCO Dental (Timperley) with a dedicated teaching room. Equipment includes SoE Exact computer system with digital radiographs, rotary endo and access to an OPG/CBCT machine at our Sale practice. The team comprises of approximately 15 dental nurses, a mixture of qualified and training, who work across all 3 DCO sites. We have 4 dentists and a therapist. There is a good mix of patients from varying socio-economic groups and we have a mix of NHS and independent patients.</p> <p>At our other nearby sites we have Tier 2 minor oral surgery with Chris Waith and Simon Cove placing implants, as well as Beth Millington providing inhalation sedation.</p>

ES Biography:	<p>I qualified at Liverpool University in 1998, completing my VT(FD) year in 2001. I have been an associate for 23 years in Wallasey, Chester and Greater Manchester. I enjoy all aspect of clinical dentistry with an interest in placing implants and endodontics. I am</p>
----------------------	---

currently doing my PGCE in healthcare learning at Edge Hill University and hope to do an advanced restorative course in the future. Outside of dentistry I enjoy spending time with my family, cycling, running and have recently taken up hockey. As a trainer I would be approachable, with an open-door policy making you feel you can always ask for help and advice.
