ES Biography:	I graduated from University of Leeds with merit in 2017. I completed my foundation training in Morecambe in the Lancaster scheme. I found the year to be immensely valuable in shaping my career which has driven me to become an Educational Supervisor now. Since then, I have worked in several dental practices both NHS

	and mixed around Chorley and Greater Manchester. I have enjoyed all aspects of dentistry and have done further qualifications in Invisalign and IV sedation. I am due to become an independent IV sedation practitioner by the end of the May.
