## Other Courses You May Be Interested In

### **Wider Workforce Primary Care Clinical Supervisor.**

Run by the NW Training Hub, this 2 day course enables you to supervise a wide range of Primary Care Wider Workforce students This does not include Foundation or GP Trainees.

### **First Contact Practitioner Roadmap Supervisor.**

As part of the NHSE ARRS funding there are 5 FP roles, MSK, Paramedic, Dietician, Podiatrist and Occupational Health. These require specific Roadmap supervision in primary care for Stage 2 of their training. In order to be a Roadmap supervisor, you can attend a 2 day course ran via your Local Training hub. Alternatively, if you are already a GP Educational Supervisor you can attend a short workshop to understand the requirements, these will be ran via regional trainers conference.
