DFT Practice Profile

Dentistry For All is a long-established family dental practice based in the market town of Nelson. The area is set within Pendle which includes some beautiful countryside areas. It is within easy commuting distance of Manchester with it's good motorway links.

The practice has been involved with training new graduates for over 20 years with several Educational Supervisors and a large dental team of complementing dental care professionals. We have plenty of experience helping Foundation Dentists find their feet in general practice.

We are a large team based in 9 surgeries, with a large staff room / kitchen , changing rooms, decontamination room, OPG room, office etc.

We use the latest materials and equipment, using digital X-rays, digital OPG , rotary endo, intra oral cameras, microscope for endo etc.

We offer a full range of high quality NHS and private treatments including orthodontics and oral surgery.

We look forward to welcoming you to our team.

DFT ES Biography

Neil Huddart qualified at Sheffield University in 2001. Neil has been a dental associate at the practice since 2006, and a partner since 2012. This is the fourteenth year Neil has been appointed an Educational Supervisor role. Neil has attended numerous educational training courses to aid this role.

Away from work Neil has a son and daughter to look after and entertain. He likes most sports, especially following football. He enjoys getting outdoors when possible; for walking, bike riding or if He's very lucky skiing.
