Dental Practice where DFT will take place	<p>Skipton Road Dental, 13 Skipton Road, Colne, BB8 0NQ</p>
DFT Website	<p>www.dentist-colne.co.uk Instagram: dentistcolne</p>
DFT Practice Profile	<p>At Skipton Road we care about high quality dental care delivered in a caring and supportive environment. Most of our team members have been with the practice for many years and are all too familiar with the challenges facing newly qualified dentists. Starting in general practice can be a daunting task and we have all the skills and experience to ensure your time with us is both positive and productive. We have all the latest equipment including Trios intraoral scanners, wave one reciprocating endodontics, an endodontic microscope, a full photography set up and digital radiography.</p>
DFT ES Biography	<p>I am the owner of Skipton Road Dental and I have been a trainer for many years. I understand the importance of your training year in terms of your future development, and I am keen for you to progress at a pace which is right for you. Finding the right balance of protection and professional challenge is vital. I'll be available to guide you through your time in training so you feel confident moving forward into general practice. In addition, we are a mixed NHS/private practice with a variety of skillsets at hand. So, what do you want to do? Lets make your dental aspirations come true!</p>
