

Title of Post: Post 17, PM

DFT / DCT NHS England NW

Educational Supervisor – Practice Profile

NHSE team / Deanery	NHSE Northwest, Workforce Training and Education
Duration of Post	24 months subject to satisfactory progression
Start Date	1 st September 2024
Description of the training post	<p>The post holder will be a member of the Community Dental Service working as part of a team of clinician within Bridgewater Community Healthcare NHS Foundation Trust based at the Fountains in Chester</p> <p>The post involves the provision of comprehensive routine and specialised dental care to children and adults whose dental needs cannot be fulfilled within General Dental Practice. This will include the provision of inhalation sedation and may also include treatment under intravenous sedation or general anaesthetic, or on a domiciliary basis.</p> <p>Patients may have multiple needs including one or more of the following: learning disability, physical disability, chronic mental health condition, complex medical history, dental anxiety, and substance misuse. This list is not exhaustive.</p>
Speciality DCT Site Address	Dental Department, 1st Floor, Fountains Health Building, Delamere Street, Chester, CH1 4DS.
Named DCT Educational Supervisor	Peter Dowey/ Nikki Kerridge

Educational Supervisor for DFT	<p>Paul Mottram</p> 
Dental Practice where DFT will take place	<p>White House Dental Practice 55 Chester Road, Huntington, Chester CH3 6BS</p>
DFT Website	<p>www.dentalpracticechester.co.uk</p>
DFT Practice Profile	<p>The practice has a 40 year history in a village setting, two miles from Chester city centre, four surgeries with parking on site, two dental therapists, two associate dentists, very supportive dental team environment, rotary endodontics with integrated apex locator, digital radiography, SOE / EXACT computer system, Clinipads, air abrasion units, speed increasing handpieces, electrosurgery, Surgic Pro 2 for oral surgery, iTero 5D plus intra-oral scanner.</p>
DFT ES Biography	<p>I have been an educational supervisor since 2007. By qualified in Manchester in 1996 and completed MJDF in 2007 I completed an implantology certificate course, PG certificate in endodontics and due to complete my PG diploma endodontics later this year. I work 4-5days per week, providing a wide range of dentistry including Invisalign whilst always being supportive to the FD. A specialist oral surgeon works one day per month performing complex extractions and placing implants which are restored in-house. Outside the practice my weekends are spent with my wife and our two children James and George I enjoy golf, football and rugby league.</p>
