<p>DFT Practice Profile</p>	<p>Welcome to The Dental House! We are based in Liverpool, just outside the city centre. There are 14 treatment rooms and an amazing team to compliment the great facilities. In-house there are specialist orthodontists, specialist endodontists, oral surgeons, implantologists, periodontist and cosmetic restorative dentists for you to work alongside and learn from. Treatment under IV sedation is also provided. We are fully digital for radiography and record keeping. Rotary endo has always been used by our Foundation Dentists. OPT machine on site.</p> <p>You might have already been to visit us, as we run free study clubs for local dentists and dental students.</p>
<p>DFT ES Biography</p>	<p>I am the Clinical Lead dentist at The Dental House and have been an Educational Supervisor since 2018. Working alongside our Foundation Dentist is something I really enjoy and is an important part of my day-to-day role.</p> <p>In 2020 I completed my Postgraduate Certificate in Teaching and Learning in the Clinical Environment with merit.</p> <p>I am also currently completing a Postgraduate Diploma in Restorative and Aesthetic Dentistry.</p> <p>Being a member of the Liverpool Local Dental Committee since 2017, this allows me to keep a finger on the pulse of local and national areas of focus.</p> <p>In addition to dentistry, I also provide Facial Aesthetics treatments and train other dentists and healthcare professionals.</p> <p>Beyond work I like to get out and about with my two little ones Freya, Oliver and Winston the Beagle!</p>
