

ST1 Intellectual Disability Run Through Pilot

- A guaranteed 6-month post in Learning Disability (Intellectual Disability) Psychiatry as part of the CT rotation
- Subject to satisfactory completion of CT training including passing MRCPsych within Core Training*, the trainee can then move into an ST LD training number in the same deanery without having to go back through national recruitment.
- Provision of an ID ST 'buddy' from within the same Deanery to support and mentor the CT during their core training. (ID TPD in the region should be able to source a buddy/mentor for the run-through trainee).
- Free attendance at RCPsych Annual Faculty of Intellectual Disability Meeting.
- A once per year free training / networking day hosted at the Royal College by the Faculty of Intellectual Disability.

**(i) Regarding time limit - Trainees are allowed an extension as any trainee would be, but if they leave core training, they forfeit the run-through commitment*
