

## HEE NW Specialty Year Group List 2022/23

### Module 1: Teaching and Learning in the Medical Workplace (CPD4706)

**PLEASE NOTE:** A trainee must be in the year group stated in the table below for their specialty in **September 2022** to apply for a HEE NW funded place in either cohort of the 2022/23 academic year. If a trainee will move into the specified year group between October 2022 and January 2023, they will only be eligible for the February 2023 cohort.

| Specialty                              | Year       | Preferred Cohort |
|--|------------|------------------|
| Acute Medicine                         | ST6        |                  |
| Allergy                                | ST4        |                  |
| Anaesthetics                           | ST5        |                  |
| Audio Vestibular Medicine              | ST5        |                  |
