## Educational Supervisor – Practice Profile

<b>Name of Educational Supervisor</b>	Emma Wall
---------------------------------------	-----------

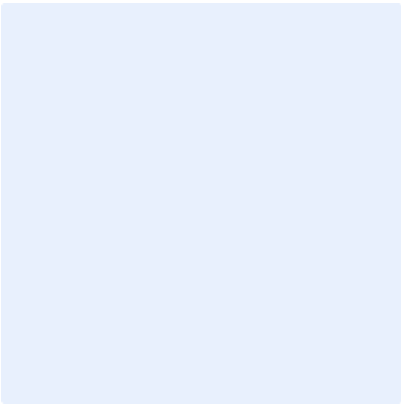

<b>Practice Name</b>	Walmsley Dental
<b>Practice Address</b>	253 Manchester Road, Droylsden, M43 6HE

<b>Practice Profile:</b> (e.g. how many surgeries, equipment, location/area, staff members, etc)	<p>We are a long-standing, family-operated dental practice located in Droylsden, offering comprehensive dental care services for both NHS and private patients. Recently expanded and refurbished, our practice now features five state-of-the-art treatment rooms and a modern interior design. Our dedicated team consists of five skilled dentists, a dental hygienist, and twelve reception/nursing staff, some of whom have been part of our family business for over three decades! To ensure top-quality care, we have invested in cutting-edge equipment, including a digital scanner, CBCT/OPG machine, digital X-rays in all treatment rooms, WaveOne rotary endo machine, and an AirFlow machine. Additionally, we utilize SOE software for efficient management of our clinical records.</p>

<b>ES Biography:</b>	<p>In 2007, I graduated from Sheffield University with a Biology degree. Subsequently, I pursued my BDS at Peninsula Dental School and graduated with honors in 2015.</p> <p>Since then, I have gained valuable experience by working in various dental practices that cater to both NHS and private patients in and around Newcastle-upon-Tyne and Manchester. In</p>
----------------------	--

	<p>2018, I found my professional home at our family practice based in Droylsden. While practicing dentistry, my primary focus lies in Orthodontics, where I have a special interest in providing fixed and removable braces for individuals of all ages. Recently, I completed training for a Post-Graduate Diploma in Primary Care Orthodontics, which is acknowledged by the College of General Dentistry.</p> <p>Collaborating closely with my husband, who holds a post-graduate certificate in Implantology and possesses extensive expertise in anterior restorative cosmetic dentistry, allows us to deliver comprehensive dental care. Presently, he is pursuing a Postgraduate Diploma in Aesthetic and Restorative Dentistry, further enhancing his skills in the field.</p>
