We are currently **unable** to provide the following training opportunities (please list)

Free text comments

Despite being a small size single tier unit, trainees get a lot of opportunities to expand their knowledge and skills at WWL. On top of Friday PM teaching sessions, Wednesday afternoon is dedicated to governance activities; first Wednesday of the month- Journal Club, second Wednesday- Guidelines Meeting, third Wednesday- Clinical Cabinet Meeting, fourth Wednesday- Obstetrics Governance and fifth Wednesday- Gynaecology Governance Meeting. We listen to feedback from our trainees and always try to improve working environment for them.
